We intend to bring an important concern to your notice, as a controversial preacher Mr. Hari Singh Randhawa is scheduled to come to Calgary and address the congregation at Guru Ram Dass Darbar from June 10^{th} to 16^{th} , 2013

Mr. Hari Singh Randhawa a so called preacher, speak against the honor of the Sikh Gurus, their philosophy and their doctrines as it has been compiled in the (Sri Guru Granth Sahib) the Holy Book of Sikhs. In addition to this he endeavor to compare himself with the great Masters (Gurus) and tries to give an unproven and non-authentic stories to the congregation to create confusion among the Sikh masses, the disciples of Sikh Gurus and of Guru Granth Sahib. He has several times passed derogatory remarks against the honor of womanhood particularly against Sikh women's during his addresses. These remarks are also available on You Tube. Such gestures are not tolerable by the entire Sikh followers of grate Gurus and of the Guru Granth Sahib. As it is a prime responsibility of every Sikh to exhibit their resistance and protest against the hate and confusion who so ever tried to create against the preaching of a Holy Book.

It is pertinent to mention that we approached the executive committee of **Sikh Youth Federation of Canada** located at 5225-84 St NE Calgary, Alberta, Tel. 403-285-3035 who is running their daily activity under the name of "Guru Ram Dass Darbar" and also holds the Charity number for these public activities. Since it is a prime responsibility of executive committee who operates and benefits under the tax emption charitable number that the public at large views to be heard, but unfortunately, executive committee refused to consider our request to stop Mr Hari Singh Randhawa addressing the congregation at Guru Ram Dass Darbar during his visit in Calgary on June 10th, 2013. We would also like to mention that Mr. Randhawa's scheduled programs in lower mainland & greater Vancouver were cancelled last week on same ground by Sikh Gurdwara committees.

The following concerned citizens feel his visit will damage harmony and peace of Sikh Community in Calgary. We urge the Calgary police authority to intervene in this matter to stop such person's visit to Calgary in order to maintain peace and harmony within Calgary Sikh Community.
